

8th Grade STEM Academy – Admissions and Enrollment

2018-2019 School Year Enrollment Procedure

- The Peachtree Charter Middle School STEM Academy online application is now available on the school's website. No paper application is available.
- <http://www.peachtreems.dekalb.k12.ga.us/>
- This STEM Academy application process only pertains to rising and incoming 8th graders for the 2018-2019 school year.
- Applications will be dated and time stamped electronically to show the order they were received.
- Acceptance will be on a first come, first served basis. (A notification will be made to those parents / guardians whose students have applied to the STEM Academy but show through past test scores and grades that they may not be ready for the high school rigor this academy requires)
- If more applications are received than we have seats for on the academy, a waiting list will be established.
- Applications will be accepted through Friday, March 17, 2018.
- Applications received after Friday, March 17, 2018 at midnight will only be processed if and when the original waitlist is exhausted.
- If questions exist, please email William Shrader at william_s_shrader@dekalbschoolsga.org
