

8th Grade Events and Expectations

Dear Parents/ Guardians of Eighth Grade Students,

As 8th grade comes to a close, we're excited to celebrate all that your children have accomplished during their time in middle school! From field trips and special events to the 8th Grade talent show and promotion ceremony, these activities are designed to honor your child's hard work, growth, and the journey you've both taken to get here.

These end-of-year events are a privilege—something to look forward to and enjoy together as a class. To make sure everything runs smoothly and that everyone has a positive experience, it's important that all students understand and follow the expectations set by the school.

This agreement outlines the behavior, academic, attendance, and financial expectations required to participate in these activities. By signing below, you are showing you and your child understand these responsibilities and are committed to finishing your 8th Grade year strong—respectfully, responsibly, and ready for high school.

Let's finish the year on a high note and make these last moments of middle school truly unforgettable!
